No. 22] NEW DELHI, SATURDAY, FEBRUARY 28, 1959/PHALGUNA 9, 1880

MINISTRY OF COMMERCE AND INDUSTRY PUBLIC NOTICE IMPORT TRADE CONTROL

New Delhi, the 28th February 1959

SUBJECT:—*Import of Automobile components under the Development Loan Fund Programme.*

No. 14-ITC(PN)/59.—Attention is invited to the Ministry of Commerce and Industry Public Notice No. 76-ITC(PN)/58, dated the 11th September, 1958 regarding the import of components for the Automobile Industry under the DLF Programme. The following amendments to the Public Notice are notified:—

(1) The following paragraphs may be substituted for para (5).—

“Payment against this Import Licence may be effected by the beneficiaries through authorised dealers in foreign exchange in the normal manner.

It is incumbent on the beneficiary and his designated Indian Bank to ensure that the following documents, duly completed, are submitted to the Department of Economic Affairs, Ministry of Finance under intimation to the Ministry of Commerce and Industry (DLF Section), Udvog Bhavan, New Delhi after payments are made to the suppliers:—

(i) Five copies of the DLF “Supplier’s Certificate” and “Invoices—and—Contract Abstract” (Schedule “A” Temp 8/58) covering the following:—

- (a) *Cost of Commodity*—The cost of the commodity including the costs of ocean freight and/or marine insurance when such costs are paid by the supplier for his own or the buyer’s Account.
- (b) *Cost of ocean freight*—The cost of ocean freight to be executed by the ocean carrier.
- (c) *Cost of marine insurance*—The cost of marine insurance to be executed by the insurer, insurance broker, or underwriter.

(ii) Bill of Lading or substitute. One copy (or photostat) of ocean or charter party bill of lading, or airway bill or parcel post receipt or other commercially acceptable transportation documents.

(iii) A copy of Purchase Order or Contract.

(iv) Properly executed original (signed) and three copies of Public Voucher SF 1034 or SF 1146.

(v) Additional or substitute documents as may be required by the Ministry of Finance (Department of Economic Affairs).

(vi) One copy (or photostat) of the Suppliers’ detailed invoice showing quantity, description gross sales price, net sales price (after deducting all dis-

counts and purchasing agent's commission applicable) and basis of delivery (e.g. f.o.b. vessel, f.a.s. c & f) of the goods or services, and either

(a) Marked "Paid" by the supplier, or

(b) Endorsed by, or accompanied by a certificate of an officer of a banking institution indicating that payment has been made in the amount shown on the invoice within 15 days of the date of payment.

(vii) Receipt from the supplier for payments received within 15 days of the date of payment."

(2) Paragraph Nos. 9 and 10 of the Public Notice may be deleted.

(3) The following paragraphs may be substituted for paras (13) and (14):—

"(13) Contracts with suppliers in U.S.A. should be insured with U.S. insurance companies. In respect of all purchases outside the U.S.A., insurance should be covered with Indian Insurance Companies and insurance premium for these shall be payable in rupees."

"(14) Claims for damage and deficiency in quality and specifications shall be settled in dollars or in the currency of the supplier's country, the payment being remitted by the supplier to the concerned bank in India of the importer. Immediately upon the settlement of such claims the importer should notify the Ministry of Commerce and Industry of the details of such payment. It is imperative that importers should receive the claims in India and should, in no case, arrange for their being credited to their accounts with the suppliers."

2. The following further requirements under the DLF Programme for the import of components for the automobile Industry are notified:—

(1) *Marking requirements for goods financed under DLF Loan.*—

(i) Goods financed under a DLF loan must carry an emblem designed for this purpose. This identification shall be affixed by metal plate, decalcomania, stencil label, tag, or other means, depending upon the type of commodity or shipping container and the nature of the surface to be marked. The emblems placed on the commodities must be approximately as durable as the trademark or company or brand name affixed by the producer, the emblems on the shipping containers must be legible until they reach the consignee.

(a) *Size of emblem.*—The size of the emblem may vary depending upon the size of the commodity, package or shipping container to be marked, but must be large enough to be clearly visible at a reasonable distance.

(b) *Colour of emblem.*—The emblem will appear in the colours shown on the samples available in the office of Small Business, International Co-operation Administration, Washington 25 D.C. or in the offices of the USOMs in the respective cooperating countries.

(ii) *Exception to requirement*—

(a) *For certain goods.*—Raw materials (including grain, coal, petroleum, oil and lubricants) shipped in bulk, vegetable fibres packaged in bales, and semi-finished products which are not packaged in any way are, to the extent compliance is impracticable, excepted from the marking requirements of this section.

(b) *For other commodities upon approval by DLF.*—If compliance with the provisions of this section is found to be impracticable with respect to goods supplier will promptly request the Office of Small Business, International Co-operation Administration, Washington 25, D.C., for an exception from the requirements of this section.

(iii) The following guidance and interpretation is provided to ensure uniformity of interpretation by suppliers:—

(a) *Buildings, structures, and major items of equipment confined to one site.*—A metal plate bearing the emblem is to be affixed in a suitable location on each structure; or, emblems may be painted directly on to the structure, using good quality outdoor paints. The emblem to be applied to major items of equipment not confined to one site (such as automotive vehicles, railroad cars and engines, vessels, dredges, bulldozers, graders, etc.) by means of waterproof paints or metal plates.

(b) *Other items and packaged goods.*—Each item or shipping container will carry an emblem of the largest practicable size but at least as large as the supplier's name or trade mark.

(iv) Inquiries concerning emblem requirements not covered by the foregoing should be addressed to the Marking Requirements Officer, Office of Small Business, International Co-operation Administration, Washington, 25, D.C. Samples of the emblem, and assistance in locating emblem suppliers, will also be furnished upon request.

(v) A list of U.S. Suppliers of official Emblems is attached.

The importer shall instruct his suppliers to comply with these requirements.

3. Automobile components will be financed under the DLF Loan where they are purchased from sources (except for India or any of its territories) specified in code 99 of the ICA Geographic Code Book as in effect at the time the goods are firmly ordered or otherwise contracted for. The countries specified in Code 99 of the ICA Geographic Code Book are given below:—

"Any country in the world except Albania, Bulgaria, Czechoslovakia, East Germany, Hungary, Poland (including Danzig), Roumania, China, Mainland (including Singkiang, Manchuria, and Tibet), the Union of Soviet Socialist Republics (including Estonia, Lithuania, Tanna Tuva, Mongolian Peoples Republic, South Sakhalin, and the Kurile Islands, formerly Japanese Territories under U.S.S.R. Administration)."

The cost of goods or the transportation thereof to India which are shipped by any transportation medium owned, operated or under the control of any country not included in Code 99 of the ICA Geographic Code Book will not be financed from the Development Loan Fund.
